In O.L.No.1075/36-B (I), dated the 9-12-1947, the S.D.O., Surat V.W.S. Sub-dn., was granted an ordinary t.a. with effect from the 26-5-47 and the S.E.,B.C. was requested to submit statistical information re: the mileage travelled by the officer during the period of six months and the t.a. drawn by him and also to suggest a suitable rate of p.t.a.

2. The S.E. has furnished the necy. information but has not suggested any rate of p.t.a. The S.E. however, states that it is not desirable to take average of the six months only for fixing the monthly p.t.a., as the touring is extensive in busy season which generally lasts from Feb. to end of June.

3. In the circumstances, it is for consideration whether the ordinary t.a. of the S.D.O. may be continued further, say upto the 30th June 1948, and the S.E. may be asked to send further information re: the mileage travelled by the officer upto the end of May 1948.

4. The papers may be refd.u.o.to the F.D. before issue of orders.

Ia 7/5/48

The average from June and November comes to Rs.172/- pm. I do not think we can pay a S.D.O., p.t.a. more than the Ex. Engr. who gets only Rs.200/- pm. What is the p.t.a. fixed for others V.W.S. subdivisional officers?

2. V.W.S. Works were previously done by the late C.E., P.W.D. The officers under the Project organisation usually got ordinary t.a. instead of fixed p.t.a. vide G.h. No.255/36- B (I), dated the 26-6-47. On the closer of the Project organisation, these works were transfd. to the normal circles and the officers transfd. with these works were allowed to continue to draw ordinary t.a. and the local officers were requested to review the position and suggest suitable p.t.a. or limits of t.a., vide O. Rs. at pp. 101- 108 of file No. 255/36 - Pt. pp. VIII. The reports of the local officers have, however, not been recd.

3. In the circumstances it is for consideration whether The S.D.O., Surat V.W.S. Sub-dn., may be allowed to continue to draw ordinary t.a. say upto 31st July 1948 and The S.D. may be asked to send further information re: The mileage travelled in order to enable Govt. to fix a suitable p.t.a. to that officer. If so, the papers will be refd. u.o. to the F.D. before issue of orders.

21/5/48 Yes but in the meantime, a tentative limit of Rs.150/- pm. could be immediately prescribed.

Finance Department, P.W.R.Br.I.

Submitted with reference to office note dated 22nd November 1947.

2. The proposal made by the P.W.D. may be agreed to.

3. The cases of travelling allce. to officers in charge of village water supply sub-divisions were to be reviewed by Jan.1948. It is seen from para.2 of the foregoing P.W.D. note that no reports have so far been received. Perhaps the P.W.D. may be requested to prescribe the same limit as proposed in the present case for the other officers also, pending consideration of the general question.

U.S.(F&R)

I agree to the tentative limit of Rs. 150. The P.W.D. may pl. ~~to be~~ take action as in para 3 above.

2. Before final orders re: P.T.A. are issued, The P.W.D. may be requested to state whether, in view of the Sub-village water supply programme. The turning of these officers will remain in the present level or whether it is likely to be reduced.

S.B. (I) P.W.D.

Submitted with refce to this Deptt. u.o.r. dt. the 24-5-48.

2. The F.D. suggests that a tentative p.t.a. limits of Rs. 150 pm. may be prescribed for all the Sub-Divl. officers in charge of V.W.S. Sub-Dns. It may be stated that this Deptt. had suggested a p.t.a. p.t.a. for other S.D.O.'s in charge of V.W.S. Sub-Dn.s' ~~of~~ was to be considered on the merits of their cases. The latter question is being considered in file No. 255/36-pt-VIII as, however, the village water supply works, which were formerly done by the late C.E., P.W.D., are now being carried out by all the Circles, it is for consideration whether a tentative p.t.a. limit of Rs.150 p.m. (inclusive of the temp. increase) ~~in circle~~ may be made applicable to all the S.D.O.'s in charge of V.W.S. Sub-Dns. without waiting for the reports called for from the local officers in file No. 255/36-Pt.VIII. The question of fixing a final p.t.a. for the S.D.O.'s V.W.S. Sub-Dns, may perhaps be considered after the receipts of the reports called for in file No. 255/36-Pt-VIII.

3. The F.D. also wishes to know, before the issue of the final orders re.p.t.a. whether the touring of these officer will remain on the present level. It seems that so far as can be judged for the present, the touring done by these officers will not diminish. To be on the safe side, it will, however, be better if th final p.t.a. is fixed for a period of 3 years in the first instance and the position reviewed thereafter.

4. The necy. draft will be put up on receipt of orders on para 2 above.

L.F.D.
1-7-48

Limit of P.T.A. of Rs. 150 could be fixed of S.D.O. Surat V.V.S. Until we get information about others S.D.O.'s, it will not be advisable to fix P.T.A. of Rs. 150 because their ordinary T.A. may in some time cases at least be by then 150. We should get information very early.

I agree with para 3 so far as S.D.O. Surat is concerned.

Sd/

2/7

Discussed with Secretary (S.B.) we should limit T.A. of S.D.O. Surat V.V.S. to Rs. 150 as agreed to by F.D. As re. other S.D.O.'s information may be obtained early so that the question whether then ordinary monthly T.A. also should be limited to Rs. 150 can be decided.

2. The Surat V.W.S. Sub-dn. was sanctioned for one year ending Feb.1948 in the first instance (G.L.No. 3930/36-S(I), dated the 16-5-47). The Subdivision has been continued upto the 28-2-49 (G.L.No.3930/36-S(I), dated the 29-3-48). As the Sub-dn. is continued on annual sanction basis and it is likely to be continued further the proposed limit of t.a. to the S.D.O. may be sanctioned for a further period of three years or up to the date the Sub-dn. is continued whichever is earlier.

3. After going through the reports referred to in para.2 of the O.M., dated the 21-5-48 it is noticed that they do not contain information in respect of the S.D.O.'s of the V.W.S.Sub-dns. The reports contain information in respect of the officers and sub-dns. in the Design and Bldgs.Dns. and Road Projects Sub-dns. which have been transferred from the late Project Organisation to the Ordinary Circles. It seems that the S.D.O.'s of the other V.W.S.Sub-dns. are drawing p.t.a. of Rs.112½ p.m. as is admissible to the other S.D.O.'s of the ordinary Sub-dns. The case of the S.D.O. of the Surat V.W.S.Sub-dn. has been referred to Govt.because his jurisdiction extend over two Rev.Dists.i.e. it is larger than that of ordinary Sub-dn. In the circumstances it does not seem necy. to apply the same limit of t.a.to the S.D.O.'s of the other V.W.S.Sub-dns. If so the information in respect of t.a.drawn and the mileage travelled by them need not be called for.

4. If the proposals made in paras.2and 3 above are approved the draft put up may issue. The E.D.may see the papers u.o. again before the draft is issued.

Submitted with refce. to G.L. No.1075/36-E(I), dated the 24th July 1948, and the Secy. (R. & B.)'s note, dated the 19-7-1948, underlying it.

2. The question under consideration is regarding fixation of travelling allowance for the Sub-Divisional officers in charge of V.W.S. Sub-dns. On the basis of th information furnished by the local officers, a statement showing the amount of ordinary travelling allowance admissible to or drawn by each of the S.D.O.'s in charge of V.W.S.Sub-Dns. during the period of six months from Jany. to June 1948, average of the t.a. per measem, etc. is put up within.

3. There is no special V.W.S.Sub-Dn. in the B.C. the V.W.S. works in that circle are entrusted to the ordinary Sub-Dns. The S.D.O.'s of these Sub-Dns. are allowed to draw usual P.T.A. of Rs.112½ p.m. The S.E., B.C., considers that the P.T.A.drawn by these S.D.Os. is sufficient to cover the expenses incurred by them in the touring. They are required to perform both for the normal running of their Sub-Dns. as well as the additional travelling they are required to do for the supervision of the V.W.S. works. The S.E. has not, therefore, suggested monthly limit of t.a. or speical rate of P.T.A. for these S.D.Os,

4. The S.E., S.C., states that the S.D.Os. in charge of V.W.S.Sub-Dns. at Belgaum, Kalghatagi, Guhagar and Dapoli are in receipt of P.T.A. of Rs.112½ p.m. each (i.e. P.T.A. allowed to the S.D.Os. of other Normal Sub-Dns.) and the S.D.O., V.W.S. Sub-Dn. at Sirsi is allowed actual T.A. limited Rs.112½ p.m. The S.E. recommends that a monthly P.T.A. of Rs.112½ p.m. to the S.D.Os. of V.W.S. Sub-Dns. for so long as the jurisdication of the Sub-Dn. is limited to cover not more than 3 or 4 adjecent Talukas forming a compact area.

5. There is only one V.W.S.Sub-Dn. in the D.I.C. The S.E., D.I.C. suggests that the S.D.O. of the Sub-Dn. in question may be granted a P.T.A. of Rs.112½ p.m.

6. The S.E., E.C., says that the S.D.Os. of the V.W.S.Sub-Dns. at Bagawadi and Badami are allowed to draw P.T.A. of Rs.112½ p.m. each and the same may be allowed to continue. As regards the S.D.O. of the Satara V.W.S.Sub-Dn. the S.E. says that the S.D.O. in question did an average of 440 miles of travelling p.m. without a car of his own. The S.D.O. has since purchased a motor car and it will be possible for him to perform more mileage which will be justified in view of the large number of well works in his jurisdiction. The S.E. adds that the V.W.S. works in the Satara Dn. are situated in the out-of-the-way places where travelling is considerably difficult and expensive due to bad condition of village roads. The S.E., therefore, recommends that the S.D.O. of the V.W.S.Sub-Dns. Satara may be allowed to draw ordinary t.a. as at present subject to a limit of Rs.175 p.m.

7. In view of the t.a.s drawn by the S.D.Os. in charge of V.W.S.Sub-Dns. one at Dholka and the other other at Poona, The P.H.E. suggests that they may be granted ordinary T.A. limited to Rs.75 p.m. and Rs.200 p.m. respectively.

8. The S.E., N.C. (now S.E., W.G.C.), suggests that the S.D.O. in charge of V.W.S.Sub-Dn. at Surat may be granted ordinary T.A. limited to Rs.150 p.m.

9. The P.T.A. allowed to the S.D.Os. of the Normal Sub-Dns. is Rs.112½ p.m. (original Rs. 75 + Rs. 37½ temporary increase at 50 p.c.) From the statement within it will be seen that the average t.a. drawn by the majority of the S.D.Os. in charge of V.W.S.Sub-Dns. (All S.D.Os. except 4 S.D.Os. in-charge of V.W.S.Sub-Dns. at Belgaum, Bagawadi, Surat & poona) during the period of 6 months from Jany. to June 1948 is not much higher than the monthly P.T.A. mentioned above. (The average T.A. drawn by these S.D.S. mentioned at Sr. Nos. 3, 4 and 11 is less than this P.T.A.) The average of the T.A. drawn by all the S.D.Os. in question comes to Rs. 135 p.m.

10. The question of increasing the P.T.A. of Rs.112½ p.m. for S.D.Os. is separately under consideration of Govt. The F.D.has proposed to increase this P.T.A. tp the Rs.120 p.m. This Deptt. has recommended to increase it Rs.150 p.m. provided a motor car is maintained and used for Govt. work by the officers concerned.

11. In the circumstances and with a view to give uniform treatment it is for consideration whether all the S.D.Os. in charge of V.W.S. Sub-Dns. may be granted P.T.A. of Rs.112½ p.m. (original Rs.75 + Rs. 37½ tempy. increase). The S.D.Os. will get increased P.T.A. when existing rate is increased - vide para. 10 above. If so the papers may be referred u.o. to the F.D. for its concurrence.

E.U.(I). P. W. D.

These papers relate to the granted of travelling allce. to the sub-Dnl. officers in charge of the village water Supply Sub-Dns. In G.R.No.1075/36, dated the 1-1-49, it has been directed that the S.D.Os in charge of V.W.S. Sub-Dns. Bhalia-bet granted actual t.a. subject to a limit of Rs.112-8-0p.m.

2. The P. H. E. had previously recommended that the S.D.Os. in charge of the V.W.S.Sub-Dn. Bhal Tract and V.S.W. Sub-Dn., Poona, may be granted t.a. limited to Rs.75 p.m. and Rs.200 p.m. , respecively. He has now recommended that the S.D.O. i/c of the V.W.S. Sub-Dn., Poona may be granted t.a. limited to Rs.150 p.m. In view of the general orders refd. to at 'A' above which were issued after full and careful consideration and as no statistical information has been furnished by the P.H.E. in support of his present request, no action seems to be necy- on his request.

The P.H.E. has also recommended that as in the case of Khandesh Sanitary Sub-Dn., the S.D.Os. in charge of other Sub-Dns.(except the V.W.S. Sub-Dns. and the Boring Works Sub-Dn., Ahmedabad) and the Overseers working in these Sub-Dns. may be granted t.a. limited to Rs.150 p.m. and Rs.48-12-0 p.m. resp. In the case of Boring Works Sub-Dn. he has recommended that the S.D.O. and the Overseers may be granted t.a. limited to Rs.300 p.m. and Rs.150 p.m., respectively. The P.H.E. has not given any justification (statistical or otherwise) in support of his request. Some of the S.D.Os. and Overseers might be eligible for conveyance allce. Only. The question of opeing another Boring Works Sub-Dns. at Poona is separately under consideration in file No.8180/36/32058 and when this Sub-Dnis. sanctioned, touring of the S.D.O. and the Overseers. of.....

he Boring Works Sub-Dn. at A' had will be reduced to a great extent. In the circumstances the P.H.E. may, if approved, be informed that his requests cannot be granted unless they are supppрted by detailed justification viz. mileage travelled and t.a. drawn per month and the extent of their jurisdictions.

3. The S.E., S.C., for the reasons stated by him in his letter within, recommends that the S.D.O. in charge of the V.W.S. Sub-Dn., Satara, may be granted t.a. limited to Rs.150 p.m. until another V.W.S. Sub-Dn. is opened in the Satara Dn. In his previous letter the S.E. had recommended that this S.D.O. may be granted t.a. limited to Rs.175 p.m. This was taken into consideration before the general orders refd. at 'A' above were issued - vide para. 6 of the office note, 20-11-48. The main object in issuing ------ the general orders is to give uniform treatment to all V.W.S. Sub-Dns. - vide Secy. (R.&B.)'s note underlying the orders. If an exception is made in this case similiar requests from other S.Es. will follow and it will be difficult to refuse them. Moreover the question of opening another V.W.S. Sub-Dn. in the Satara Dn., with head-quarters at Wai, is separately under consideration in file No.3930/36/21509. When this Sub-Dn. is sanctioned touring of the S.D.O. of the existing V.W.S. Sub-Dn. will be reduced to a great extent. In the circumstances, the S.E's request may, if approved, be negatived.

4. The S.D.Os. in charge of the Emergency Irrign. Sub-Dn. at Belgaum which was subsequently converted into a V.W.S. Sub-Dn. with effect from the 1-10-47 were allowed by the A.G. to draw F.T.A. at the rate of Rs.112½ p.m. for the period from the 14-5-45 to the 17-10-48. The A.G. has, however, refused to allow F.T.A. to the S.D.O. of this Sub-Dn. from the 19-10-48.

The ...

The S.D.O. has been allowed to draw ordinary t.a. up to Rs.112½ p.m. with effect from the 1-1-49 in view of the orders issued in G.R.No.1075/36, dated the 11-1-49. The S.E. therefore requests that the S.D.O. may be granted P.T.A. of Rs.112½ p.m. for the period from the 19-10-48 to the 31-12-48. The S.E's request may perhpas be accepted in u.o. consultation with the F.D.

5. The S.E., D.I.C., states that the limit of t.a. of Rs.112½ p.m. fixed in G.R.No.1075/36, dated the 11-1-49, for the S.D.Os. in charge of the V.W.S. Sub-Dns. is inadequate in the case of S.D.O. i/c of the V.W.S. Sub-Dn. Haveli and Dhond Talukas. He therefore recommends that the limit of t.a. in the case of the S.D.O. in question may be raised to Rs.150 p.m. The average of the t.a. drawn by the S.D.O. during the period mentioned above works out to Rs.118 p.m. At the time of fixing the general rate of t.a. for all V.W.S. S.D.Os., the S.E., D.I.C., had recommended a P.T.A. of Rs.112½ p.m. for this S.D.O. when the average of the t.a. drawn by the S.D.O. worked out to Rs.128 p.m. - vide S.E's letter on page 47 ante. In view of this there appears to be no case for increasing the limit of t.a. to Rs.150 p.m. for this S.D.O. Moreover the general orders refd. to at 'A' above were issued after full consideration and the main object in issuing these orders is to give uniform treatment to all V.W.S. S.D.Os. - Vide the Secy. (R & D.) 's note, dated the 19-7-48, underlying these orders. From the statt. on page 67 ante. It will be seen that there are similar cases of other S.D.Os. and if an exception is made in this case similar requests from the other S.E's. will follow and it will be difficult to refuse them and the object of giving uniform treatment to all the V.W.S. S.D.Os. will be frustrated. It is accordingly for consideration

whether .....

whether the request may be negatived.

6. If the above proposals are approved, the papers may be refd. u.o. to the F.D. as proposed in para.4 above.

(ii) The S.D.O's in charge of village water supply works have to undertake frequent journey to inspect the works which are mostly situated in out of the way places. In my opinion the limit of T.A. in their case should reasonably be raised from Rs. 112½ to Rs. 150 in view of the reports of the local officers. Otherwise the tendency would be for these S.D.Os. to restrict their touring, which is harmful to the progress of these very important works. Some exceptions may have to be made to this rule, as in the case of Souring works Sub-Dns. activities of which extend over a very wide area. The maximum limit of T.A. in such cases may be fixed at Rs.200 p.m. (as against Rs.300 recommended by the P.W.D.)

Id/

Secy. (I)

In my opinion it is wrong economy to restrict the T.A. of the S.D.Os. in charge of V.W.S. works. This restriction will not at adversely on the progress to inpensificati n of this programme. I therefore consider it would be desirable to accept the limit of Rs. 150 p.m. as suggested by S.E.,D.I.C.

P.W.D. I

At present all S.D.Os. in charge of V.W.S. Sub-dns. are allowed to draw ordinary t.a. limited to Rs.112½ The P.W.D. proposes to raise the limit to Rs.150. When the limit of Rs.112½ was fixed on the basis of the P.T.A. ordinarily allowed to S.D.Os. plus tempy. increase. The basis rate is Rs.75 p.m. However the tempy. increase over P.T.A. has now been raised to Rs.75 from the former 50/- plus Rs.75 plus (75% 56-40) = Rs.131¼ will be the P. T. A., ordinarily admissible to a S.D.O. The limit F.D. may, therefore, agree to raise the limit to that amount Rs. 131¼ . In cases in which the P.W.D. considers that a higher limit is necessary in the interest of work, that deptt. may give detailed justification distinguishing these cases from the normal ones. So that grant of higher rates will not be form ~~evidence~~ precedents.

E.B. (I).

Submitted (together with Serial Nos. 46138, 48220 and 49940) with reference to this department U.O.R. dated the 4-6-49.

2. This department has made the following proposals :-

(a) The monthly limit of t.a. in the case of the S.D.Os. in charge of the V.V.S. Sub-Dns. may be raised from Rs.112½ to Rs.150.

(b) The maximum limit of t.a. in the case of S.D.Os. i/c of the Boring Works Sub-Dns., [illegible]bad, may be fixed at Rs.200 p.m.

(c) The S.D.Os. i/c of the Belgaum V..S. Sub-Dns. may be granted P.T.A. of Rs. 112½ p.m. for the period from the 19-10-48 to the 31-12-48.

3. Proposal at (a) above:- The present limit of t.a. of Rs.112½ p.m. for the S.D.Os. i/c of the V.V.S. Sub-Dns. was fixed on the basis of the P.T.A. then allowed to the S.D.Os. in charge of ordinary Sub-Dns. vide office note dated the 29-1[illegible]-40 and the Secy's orders thereon. According to the orders issued in G.R. F.D. No. 1923/33, dated the 14-6-49, P.T.A. of Rs. 112½ p.m. has been raised to Rs. 131¼ p.m. with effect from the 1-5-49. The F.D., therefore, suggested that the limit of t.a. in the case of S.D.Os. in charge of V.V.S. Sub-Dns. may be raised to Rs. 131¼ p.m. and the cases in which higher limit of t.a. is necessary may be considered on their own merits. If by detailed justification they can be distinguished from other V.V.S. Sub-Dns. It is for consideration whether the F.D.'s suggestion may be accepted, or whether in view of the reasons stated in the Dy. Secy's and the Secy's notes on pages 102-103 ante this department may adhere to

its.....

its proposal and the r.e. may be requested again
-e to it. In the former case it may be
stated that the case of the S.D.O. i/c of the
V.W.S. Sub-Dns. Satara, appears to deserve spl.
consideration in view of the reasons stated by the
S.E., E.C., in para, 2 of his letter No. G.114/2042
dated, the 24-3-49. If this view is accepted the
S.D.O. in question may be granted t.a. limited to
Rs. 150 p.m. with effect from the 1-5-49 till
another V.W.S. Sub-Dn. for the Satara Dn. is opened.
(The question of opening another V.W.S. Sub-Dn. for
Sataraa Dn. is separately under consideration in file
No. 3930/36 which is under U.O.R, to the F.D.).

4. Proposals at (b) & (c) above:- The F.D.
has not offerred any remarks on those proposals
Presumably that Department agrees to the proposals.
The F.D. may be requested to confirm this.

5- On receipt of orders on the above proposals
the papers will be regd. U.O. to the F.D.

Id/ 19-8-49 Through S.B. (III). Id/ 19-8-49.

The limit of Rs. 150 was previously suggested
on the basis of the P.T.A. of Rs.112½. which was
then allowed to the S.D.O. of the normal Sub-Dns. charge
But since this has been now raised Rs.131¼ p.m.
it is quite reasonable to increase the originally
ppoposed limit of Rs.150 to Rs. 175 p.m. for to S.D.O's
in charge of village water supply Sub-Dns. We may
however, accept the F.d.'s suggestion and request S.E.'s
to made at cases for such V.W.S. Sub-Dns. , where
They consider that the limit of P.T.A. should be
raised from Rs. 131¼ to Rs. 175/- p.m. upon
receipt of the S.E.'s reports a consolidated list may
be forwarded to the F.D. for consideration, so as
to avoid increase in work, if the cases were
referred to F.D. piecemeal.

2. F.D. may be requested to confirm its proposals appeared to the proposals (b) & (c) on page 117 ante.

Proposals (c) :- If the P.W.D. is satisfied that the S.D.O. in charge of the Belgaum V.W.S was required to do the same touring as other S.D.O's, F.D., may not object to the proposal.

Proposal (b) :- Pl. see 'A' of the note dated 2-7-49. The remarks apply U.S. D.O.'s in charge of V.W.S. Sub-Dns. as well as it given any justification in support of his proposal to raise the limit to Rs. 200 in the case of S.D.Os. in charge of the Boring works Sub-Dns. F.D. may not, therefore, accept the proposal unless it is justified in detail.

2. Please see the F.D's note dated the 29-8-49. The S.D.O. i/c of the Belgaum V.W.S. Sub-Dn. may be granted a P.T.A. of Rs.112½ p.m. for the period from the 19-10-48 to the 31-12-48. The P.W.E. may be requested to justify in greater details his proposal to fix the maximum limit of ordinary t.a. at Rs.200 p.m. in the case of S.D.O., Boring Works Sub-Dns. The basic rate of P.T.A. of Rs.75 P.M. in the case of S.D.O.'s in charge of the ordinary Sub-Dns. has been temporarily raised to Rs.131¼ p.m. with effect from the 1-5-49. The limit of t.a. at Rs.131¼ p.m. in the case of S.D.Os. i/c of the V.W.S. Sub-Dns. may, therefore, be fixed from the same date.

Those papers relate to the grant of travelling allowances to the S.D.Os. i/c of the V.W.S. Sub-Dns. The S.D.Os. in question were granted actual t.a. subject to a limit of Rs. 90 p.m. each vide G.R. No.1075/36, dated the 11-1-1949. Subsequently it was proposed to raise this limit of t.a. to Rs. 150 p.m. but the E.D. advised to raise it to Rs. 131¼ p.m. The limit of t.a. was accordingly raised to Rs. 131¼ p-p- and the local officers were asked to make out cases for such of the S.D.Os. i/c of the V..S. Sub-Dns. in whose cases they consider that the limit may be raised to Rs.175 p.m. - vide G.R. No.1075/36, dated the 5-10-1949, and G.L. No.1075/36-VI.E(I), dated the 28-1-1950. Accordingly the S.E., D.I.C. and the S.E., N.C.C. have proposed to increase the t.a. limits to Rs. 175 p.m. in the case of the S.D.Os. i/c of the V.W.S. Sub-Dn. (Haveli and Dhond Talukas), Poona, and the V..S. Sub-Dn., Prantij respectively, in their Circles. The S.E., B.C. in his letter No.C-155/3459, dated the 30-3-1950, has recommended that the S.D.O., V.W.S. Sub-Dn., Kolaba, may be granted ordinary t.a. as admissible under the B.C.S. R. subject to a limit of Rs. 131¼ p.m. The P.W.S. had recommended that the S.D.O. i/c of the V..S. Sub-Dns., Poona, may be granted t.a. without any limit. He was requested to furnish certain information. He has not, however, furnished the requisite information.

2. It may be stated that the V.W.S. Sub-Dn., Poona in the P.W. Circle, the V.W.S. Sub-Dn. Prantij, in the N.G.C. and the V.W.S. Sub-Dn., Kolaba, in the B.C. have either been closed or as proposed to be closed No further action is therefore necy. regd t.a. to the S.D.Os. i/c of these Sub-Dns.

3. As regards raising the monthly limit of t.a. in

the.....

the case of the S.D.O. i/c of the V.V.S. Sub-Dn., Poona, in the D.I.C., please see the S.E., E D.I.C's letter No.59, dated the 4-1-1950, and the office note dated the 20-1-1950, and the Dy. Secy's (Shri Apglekar's) note dated the 21-1-1950. In G.L. No.1075/36-VI-E(I), dated 28-1-1950, the S.E., D.I.C., was requested to report, in consultation with the S.E., C.C., whether the V.L.S. works in the Khed Taluka could be entrusted to the S.D.O. i/c of the B. & B. Sub-Dn. who deals with the buildings at Khed, etc. The S.E. in his letter No.101/1694, dated the 28-2-1950, has reported that the proposal is not feasible and has again recommended that the limit of t.a. in the case of the S.D.O. i/c of the V.V.S. Sub-Dn., Poona., may be raised from Rs.131¼ to Rs. 175/- p.m. with effect from the 1-1-1949. The average of the t.a. charged claimed by the S.D.O. in question during the period from Jany. to Octo.'49 works out to Rs. 256 p.m. In view of this the S.E's recommendation may, if approved, be accepted in U.O. consultation with the F.D.
